Annual Report

2021-2022

❖ About us:

Career guidance cell or CGC focuses on guiding the students towards all EEE aspects of career (education, employment and entrepreneurship). The cell takes all necessary steps to ensure that every student receives proper career guidance.

❖ Team members:

We are a team of four committed people working towards student progress. The team members are as follows:

- Mrs. T. Mohini Aiyengar, CGC co-ordinator
- Ms. V. Rajitha, Lec in English, CGC member
- Mrs. G. N. Rajini, Librarian, CGC ex-officio member
- Dr. P. Vasantha, CGC member
- Mrs. B. Prathyusha CGC Member

❖ Activities

- Conducts orientation sessions for various entrance examinations briefing the students about the application process, selection procedure and fee structure etc.
- Conduction of all screening tests for various programs offered by head office.
- Conducts regular meetings and seminars to promote awareness about opportunities in higher education and employment.
- Conducts sessions on language development and communication skills in co-ordination with the department of English.
- As Mahendrahills is the host college for JAM camp, CGC plays an important role in co-ordinating with all other CGC co-ordinators for smooth running of the camp.
