Introduction :

The establishment of the Internal Quality Assurance Cell (IQAC) is necessary for maintaining long-term quality standards. It is a significant administrative body that is responsible for all quality matters. It is the prime responsibility of IQAC to initiate, plan and supervise various activities that are necessary to increase the quality in Teaching, Learning and Evaluation, to adopt the best practices, and to manage different aspects of administration. IQAC promotes and determines quality related programs and activities such as Seminars, Workshops, orientation programs, conferences, academic related competitions, Co-curricular and Extra curricular competitions, Research activities, Skill enhancement courses, Certificate courses etc.

Vision

“To make quality as the defining element of education and inculcate quality culture among all the stakeholders for holistic development of the students and excellence of the institution .“

Mission

- To develop a continuous monitoring system for consistent improvement in the academic, administrative, and research performance of the college.
- To stimulate the academic environment for promoting quality of Teaching-Learning and Transparent Evaluation for outcome based education.
- To monitor the progress of strategic planning of the college and provide necessary support.

Objectives

- Establishing facilities for integration of modern methods of teaching and learning
- Student-centric teaching-learning environment with dedicated efforts for continuous student development and progression.
- Timely conduction of Examinations and Transparent evaluation system
- Motivate the students to pursue higher education through Orientation programs, Capacity building programs and Skill enhancement programs.
- Ensures coordination among various departments and creates a dynamic system for quality change in the college.
- To develop a sense of social responsibility among the students and staff through institutional Best practices and extension activities.
- Adopt quality methods to manage different aspects of administration.
- Initiate a research oriented atmosphere in the college to motivate the faculty to do good research.

Functions

- Development and application of quality benchmarks;
- Setting parameters for various academic and administrative activities of the institution;
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty development to adopt the required knowledge and technology for participatory teaching and learning process;
- Collection and analysis of feedback from all the stakeholders on quality-related institutional processes;
- Dissemination of information on various quality parameters to all the stakeholders;
- Organization of intra- and inter-institutional workshops and seminars on quality-related themes and promotion of quality circles;
- Documentation of various programmes/activities leading to quality improvement;
- Acting as a nodal agency of the institution for coordinating quality-related activities, including adoption and dissemination of the best practices;
- Periodical conduct of Academic and Administrative Audits along with their follow-up activities;

Benefits

IQAC will facilitate / contribute to

- Ensuring clarity and focus in the institution's march towards quality enhancement;
- Ensuring internalization of quality culture;
- Ensuring enhancement and coordination among the various units and activities of the institution and institutionalizing all good practices;
- Providing a sound basis for decision-making to improve institutional functioning;
- Acting as a dynamic system for quality changes in institution
- Building a sound methodology for documentation and internal communication.
