National Service Scheme

“NOT ME BUT YOU”

The national service scheme, popularly known as NSS, it was launched on Mahatma Gandhiji's Centenary year 1969. Aimed at developing student's personality through community service. NSS is a voluntary association of young people in colleges, Universities and at +2 levels working for a campus – community linkage.

The cardinal principle of the NSS Programme is that it is organized by the students themselves and both students and teachers through their combined participation in community service, get a sense of involvement in the tasks of national building.

Objectives behind the NSS:

- ★ To enable the students to understand the community in which they work.
- ★ To understand themselves in relation to their community
- ★ To identify the needs and problems in the community for the solution of which they can be involved
- ★ To develop among themselves a sense of social and civic responsibility

- ★ To apply their education in finding practical solution to individual and community problems
- ★ To develop competence required for group living and sharing responsibilities
- ★ Gain skills in mobilizing community participation
- ★ To acquire leadership qualities and democratic attitude
- ★ To develop capacity to meet emergencies and national disasters.
- ★ To practice national integration

The main intention of NSS Programme is to change the attitude of volunteers through various activities within the Institution and society. The ministry has framed the following NSS Programmes to give Life Skills Education to the volunteers.

The regular activities should be conducted by every programme officer 120 hours in a year, 100 students will be registering every year as volunteers in this programme.

1. Regular Activities

2. Special Camping programmes

3. Other programmes

1. Regular Activities:

The programme officer has to conduct these activities within the institution 120 hours in a year. There is a misconception that shramadanam, plantation, Blood donation and AIDS Awareness are only the regular activities. But the NSS Program officer can also conduct the other regular activities as per the academic background of the volunteer. The regular activities should be covered Communication Skills, Career counseling, passport taking formalities, Abroad education information, placement information, Legal awareness Law and Order, Global Warming, Supporting to government programmes, health and hygiene. The main intention of these programmes is to identify sincere, disciplined and talented volunteers for state and National level programmes.

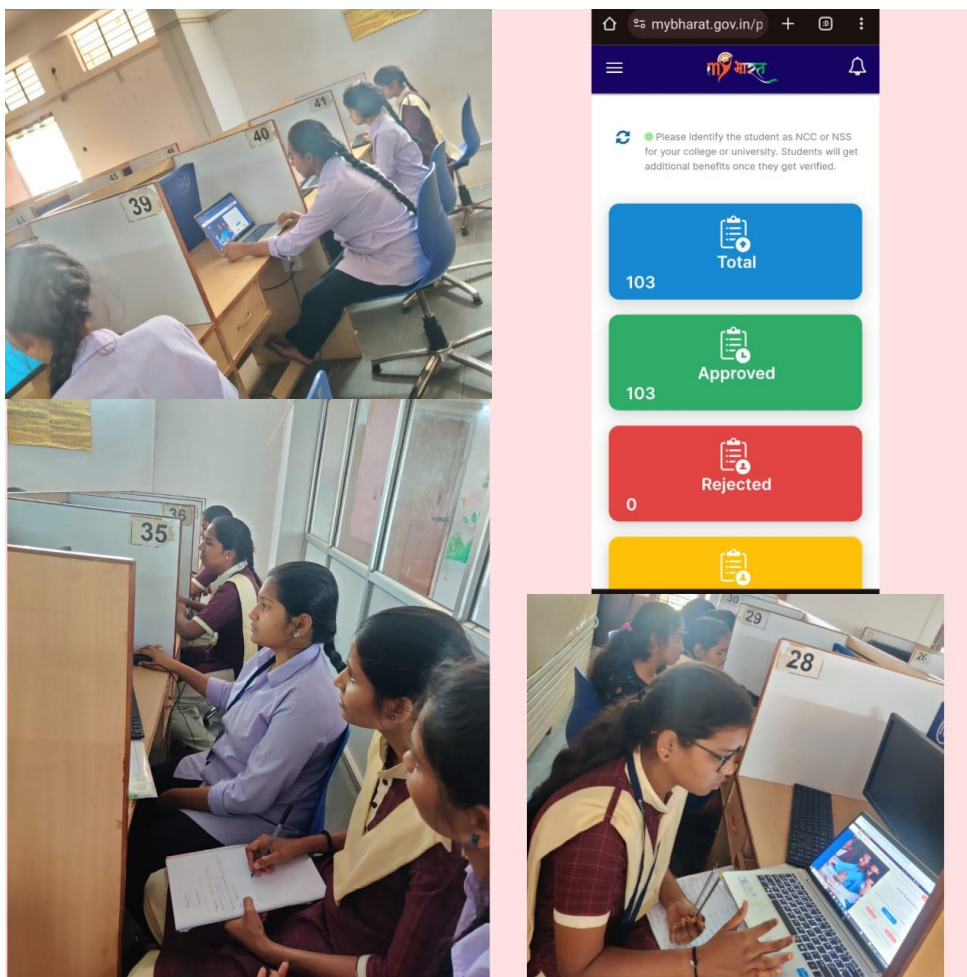

2. Special Camping programmes

From December 2008 onwards Ministry of Youth Affairs & Sports has decided to conduct the special camping programmes for 7 days anan amount of expenditure Rs.22,500/- each camp as per the convenience of the NSS Volunteer and programme officer. The prime aim is that the volunteers should become good citizens by learning the life skills in the special camping programme.

3. Other programmes

Apart from regular activities and special camping programmes, some specially designed programmes are in practice for exposure of the volunteers.

200 members of Students have been registered as NSS Volunteers from 2022-2023

110 members of NSS Volunteers of 2024-2025 have successfully registered on YUVA Portal

NSS Unit Sanctioned orders were received by Principal Dr. G. Nirupa, Programme Officer M Jyothirmayi, from Dr. Saveen Souda Programme Coordinator NSS Osmania University.

On account of World Cancer Day 04-02-2024, we have organized a half day long program to promote the awareness of Cancer among the vicinity rural population. The day began with pinning of colored ribbons representing various cancers to all faculty, Vice principal and Principal by student volunteers.

Students along with raising slogans and awareness messages went as a rally into the Ankushapur village. All the villagers gathered at Ankushapur Anganwadi school to attend the event with help of Gram panchayat coordinator. Students performed song, skit and explained the villagers about all types of cancer including causes, symptoms and treatments. Head Dept of Biotechnology N. Kavitha madam addressed the gathering and educated the role of being aware of cancer causes and to have life style modifications to prevent the prevalence of cancer.

Head Dept of Genetics, Dr. Mohini shared the thoughts and requested the villagers to stay updated and to visit Health Centers nearby in case of any discomfort or illness. As the day closed, all villagers explained deep joy and happiness and had blended the students and faculty for the good work.
